FBJ established the following policies to help maintain the worshipful nature of the ceremony and to protect the facility and furnishings. The videographer is responsible for complying with these policies.

1. Videographers are expected to wear attire appropriate to a wedding ceremony. Inappropriate attire includes, but is not limited to: denim jeans, t-shirts, cutoffs, flip-flops, athletic wear, and hats. Videographers are encouraged to be discreet in their presence during the ceremony.
2. No nails, tacks, tape, adhesives, or anything that will mar woodwork or furniture may be used to mount equipment.
3. In the Sanctuary, a maximum of three (3) video cameras may be used. One unmanned camera may be placed on the platform area. A manned camera may be placed above and to the right of the back of the choir loft and also in either of the two upper side balconies. On the main floor level, a manned camera may be at the back of the center front section, near the sound/lighting boards or in a side section near a column. See the SANCTUARY OUTLINE in the Wedding Plan Booklet to locate where the cameras may be stationed. All video cameras must be mounted on stationary tripods.
4. FBJ media crew may be hired to videotape your wedding. This is a separate agreement and is not included in the church rate. For more information, contact the Media (Music Office) as noted in APPENDIX C – CONTACT INFORMATION of the online Wedding Plan Booklet. Requests for FBJ media crew should be made no later than 30 days before the confirmed wedding date.
5. Videographers cannot move around with a camera, move plants, black out windows, or block aisles or the guests' view of the ceremony.
6. The videographer is responsible for following the signed *Videographer Guidelines* found online under Vendor Policies at <http://firstbaptistjackson.org/planning-your-wedding>. Failure to follow these guidelines will result in a charge to the videographer equal to the bride's FBJ deposit. Failure to pay the charge to FBJ within 30 days of the wedding date will result in forfeiture by the bride of her deposit and the videographer will be prohibited from serving another wedding at FBJ.
7. Neither FBJ nor the Wedding Committee is responsible for any loss or damage to equipment a videographer's equipment, nor are they responsible for any equipment or supplies left accidentally at the church.
8. Smoking and alcoholic beverages are not permitted on FBJ property at any time.

I have read the above wedding policies and agree to follow them. If I do not, I will not serve another wedding at First Baptist Jackson.
