

## Getting Started!

1. On your mobile phone, text the amount you would like to give to 601-255-1717.
2. If this is your first time, you will be prompted to visit a secure URL. (Don't worry, it's completely safe!)
3. Once you click the registration link, you will be prompted to enter your credit or debit card information, along with your name. This will set up your account at First Baptist Jackson.
4. Your donation will be processed, and you will see a confirmation text showing that your donation and registration were successful. Congratulations!
5. Save the number (601-255-1717) in your phone contacts so that you can easily find it for the next time you want to give through texting. (First Baptist Jackson Text Giving, for example)

## To continue giving through text messaging (after your first time):

- If you only text a monetary value, the funds are attributed to your church's default fund. (Ex: \$50 = will go to default fund)
- If you text the amount + fund name- the funds will be attributed to that fund name. (Ex: \$10 Building)
- If the fund name you texted does not match- you will receive a message with a list of fund names for you to choose from.
- If you text "Funds" you will receive a reply text including a list of the fund names they can choose to donate to.
- If you text "Help" you will receive a reply text that states: "To give enter the amount you want to give, such as 100. You can also give to a specific fund by typing it after your amount, such as "100 building fund."
- If you text "Reset" you will receive a reply text that states: "Saved card information successfully removed. Please register your card information again when making your next gift by texting an amount to this number."
